Honorable Chairman Bruno A. Barreiro and Members, Board of County Commissioners Page 2

The Crandon Boulevard Master Plan is being implemented in three (3) phases.

Phase I

Crandon Boulevard along the Civic Center frontage, including the intersection with West McIntyre Street and Galen Drive, was identified as the first phase of implementation. Construction of this segment was completed in 2006, and the \$776,000 cost was funded from the Civic Center project budget. In addition, the County entered into a JPA with Key Biscayne to fund the signal improvements on Crandon Boulevard and Galen Drive/McIntyre Street at a cost of \$137,000.

Phase II

Crandon Boulevard from the Key Biscayne entrance to the West McIntyre/Galen Drive intersection, and Harbor Drive from Fernwood Road to Crandon Boulevard, were the areas targeted in the second phase of implementation. The cost, estimated at \$4.0 Million, was funded from a variety of sources including: the Village's allocation of County half-penny transit surtax funds; developer contributions, and State and Federal Funds. Phase II construction was completed in 2006.

Phase III

Crandon Boulevard from the West McIntyre/Galen Drive intersection to the entrance to Bill Baggs Cape Florida State Park is the focus of Phase III implementation. The cost estimate is \$5 Million for this phase.

During the September 22, 2006, budget hearing, the BCC approved the payment of \$365,000 commencing in Fiscal Year 2006-07. The Interlocal Agreement formally obligates the County to make the payment, provided Rickenbacker Causeway toll revenues are available in the amount of the payment which is anticipated. The payment shall be used by Key Biscayne to fund Phase III of the ongoing Crandon Boulevard Master Plan Improvements. Phase III includes intersection improvements with tighter corner radii, pedestrian crosswalks; eight foot wide sidewalks, bike lanes, longer dedicated turn lanes, traffic calming features, new bus shelters, and improved bus stops with bus pull out bays at select locations, shade trees and enhanced landscaping. Key Biscayne has commenced construction of Phase III and has issued bonds to pay the cost and will use the County's annual allocation to retire the bonds.

This Interlocal Agreement provides the terms and conditions upon which the County shall remit the payment to Key Biscayne.
